THE PREMATURE DECAY OF YOUTH. JUST PUBLISHED BY DR. STONE. DITYSICIAN to the Troy Long and Hygeinic Institu treatise on the early Decay of American Youth; the

vice of Seif-Abuse and Its direful conse The above work has received the highest commendation from several leading papers of the Union as one of the most able ever published on this subject of such vital A Word of Solemn Conscientious Advice

to those who will Roflect. It is a solemu fact that 100,000 die annually in the cutted States with consumption, marasmus, or premale and health, by maraemus or premature exhaustion and decay of the uervous system—nervous debility, caused by sexual diseases, such as the vice of Self-Abuse, Seminal Weakness, Spermatorrhea, Gonorrhea, Gleet, Impotence, Leucorriuea, Virulent private diseases, bot extreme poverty and suffering, for a sum that will only compensate the cost of medicines.

The most reliable conscientious advice will at all nes be given by the physician of the Institution, both to Mala and Female, respecting the diseases of the sexual organs. Medicines and treatment will be sent by mall or express to applicants, to all parts of the country, and etitution for consultation, from 9 A. M. to 9 P. M. of each day. Sundays, in the forencon. DR. ANDREW STONE, Physician to the Troy Lung and Hygelnic Institution, and Physician for diseases of the Peart, Throat, and
